DAFR7460 APPROPRIATION BY RELATED APPN AND APPN NUMBER REPORT MODIFICATIONS

The following software modification will be in production on Thursday, July 10, 2003:

DAFR7460 Appropriation by Related Appn and Appn Number Report has been modified. A new column Executive Order Reorganizations (Ex Order Reorgs) has been added and existing columns have been realigned.

The formula for the column Executive Order has been modified by removing balance type 51 Carry Forward Out and balance type 52 Carry Forward In. The signs for balance type 37 and balance type 73 Executive Order have been changed from positive to negative to correctly reflect the activity in this column. The new column Executive Order Reorganization has a negative balance type 51 and a positive balance type 52.
